Jamón Carver

In Spain, the carving of jamón is not only a skill, but also a performance – one that embodies craftsmanship, hospitality, and respect for the ingredient.

As part of your event, our resident carver Zac is available to create a truly memorable experience. Before your guests, he hand-carves a leg of ibérico or serrano ham with precision and artistry, showcasing why jamón is one of Spain's most treasured delicacies.

For weddings, private celebrations, or business occasions, Zac's carving becomes both a centrepiece and a performance – an authentic expression of Spanish hospitality that lingers well beyond the final slice.
